

REMARKS

Applicants have currently amended the claims to clarify the present invention, to correct inadvertent errors in the claim references, and to obviate the election of species requirement. The dependency of the claims was incorrect and the applicant has made the appropriate adjustments in this paper. The claims no longer form patently distinct species as each claim further narrows the scope of the claim that precedes it. Applicants therefore request that the examiner withdraw the election of species requirement and proceed with examining the application.

Applicants hereby authorize the Commissioner to charge any fees which may be required or credit for overpayment for entry of this Amendment to Deposit Account No. 18-1850.

Respectfully submitted,

Tifani Cottingham  
Attorney for Applicant
